# *Lebanon Country Club Interclub Play Program Rules and Procedures*

---

**The Interclub Play Program (IPP) is a reciprocity agreement between a group of golf clubs generally in the central and eastern part of Pennsylvania. Each club has agreed to abide by the following rules.**

1. The base days of play are Tuesday through Friday of each week. Some clubs may choose to allow afternoon play on the weekends when time permits. If interested in Monday play, please call the host club to check if they are open.
2. The program is restricted to golfing members of participating clubs. Limited memberships or memberships with severely restricted golf privileges will not be eligible to use the program.
3. It is understood that a member club, on certain days, may not be able to entertain guests. When schedules permit, each club has agreed to accept two foursomes of IPP members. If a club chooses, it certainly may allow more than two foursomes on a day.
4. All reservations must be made through the Pro Shop staff at participating clubs.
5. The fee for play is \$30.00 and includes golf, a cart, and practice range usage. This fee will be charged, even if a player chooses to walk while playing at another course
6. The program is designed for a group of members of one participating club to travel to another participating club. Should two members from one club wish to join members of another club for golf at a course that participates in the program but neither are members, this is fine as well; however, if two members of a club wish to host two members of another participating club, the decision to charge green fees or the reciprocal rate will be left to the discretion of the hosting club.
7. Members have the option of inviting outside guests to join them for play. The outside guest will be billed at the host club's normal guest fees.
8. Starting times may be reserved one week in advance. For weekend play, please call no earlier than the Thursday prior in order to secure a starting time.
9. The dress code of the host club must be observed. Only soft or non-penetrating spikes will be allowed.
10. Visiting members and guests are encouraged to patronize dining services at each club. If a group plans to have dinner at the club, they should ask to make reservations at the same time they are checking in at the Pro Shop.
11. Should a club not stay current (within 30 days) on all bills, the host club has the right to suspend Interclub play with that club until such club is current.
12. Many participating clubs are now requiring payment on site for the reciprocal fee of \$30.00 per person to avoid billing issues and delays. All traveling members should be prepared to pay the fee on site via credit card or cash, if this is requested by the hosting club.
